

Patrick Howe Oil Painting Class Supplies

In my classes you can use your own painting supplies or purchase my recommended supplies.

Where To Buy

Any art supply store, or online.

Artist and Craftsman Supply, 4350 8th Ave NE, Seattle, WA 98105.

Blick Art Materials: 1600 Broadway, Seattle, WA 98122

Online at: [Blick](#), [Jerry's Artarama](#), Amazon, or elsewhere.

In most art supply stores, if you mention you are my student, they will give you a 10% discount.

There are 2 supplies options to select from: The Artist Version colors and the Student Version colors. I recommend the Artist Version colors. They are more expensive but there is more pigment in the tubes. But if you are on a budget, then the Student version colors (1980 Series) will work just fine too.
